<110>	Has your company received its ETC certification from the FCC?	(yes / no) <input type="radio"/> <input type="radio"/>
	If your answer to Line <110> is yes, do you have an existing §54.202(a) "5	
<111>	year plan" filed with the FCC?	(yes / no) <input type="radio"/> <input type="radio"/>

If your answer to Line <111> is yes, please file a progress report, on line <112> delineating the status of your company's existing § 54.202(a) "5 year plan" on file with the FCC, as it relates to your provision of voice telephony service.

<112> Attach Five-Year Service Quality Improvement Plan or, in subsequent years, your annual progress report filed pursuant to 47 C.F.R. § 54.313(a)(1). If your company is a CETC which only receives frozen support, your progress report is only required to address voice telephony service.

Name of Attached Document

Please select the appropriate responses below (Yes, No, Not Applicable) to confirm that the attached document(s), on line 112, contains a progress report on its five-year service quality improvement plan pursuant to §54.202(a). The information shall be submitted at the wire center level or census block as appropriate.

- <113> Maps detailing progress towards meeting plan targets
- <114> Report how much universal service (USF) support was received
- <115> How much (USF) was used to improve service quality and how support was used to improve service quality
- <116> How much (USF) was used to improve service coverage and how support was used to improve service coverage
- <117> How much (USF) was used to improve service capacity and how support was used to improve service capacity
- <118> Provide an explanation of network improvement targets not met in the prior calendar year.

Select the appropriate responses below (Yes, No, Not Applicable) to note compliance as a recipient of Incremental High Cost support, High Cost support to offset access charge reductions, and Connect America Phase II support as set forth in 47 CFR § 54.313(b),(c),(d),(e). The information reported on this form and in the documents attached below is accurate.

Incremental Connect America Phase I reporting

- <2010> 2nd Year Certification 47 CFR § 54.313(b)(1)(i) - Note that for the July 1 2016 certification, this applies to Round 2 recipients of Incremental Support
- <2011> 3rd Year Certification 47 CFR § 54.313(b)(1)(ii) - Note that for the July 1 2016 certification, this applies to Round 1 recipients of Incremental Support
- <2022> Recipient certifies, representing year two after filing a notice of acceptance of funding pursuant to 54.312(c), that the locations in question are not receiving support under the Broadband Initiatives Program or the Broadband Technology Opportunities Program for projects that will provide broadband with speeds of at least 4 Mbps/1Mbps - 54.313(b)(2)(i). Round 2 recipients only.
- <2023> The attachment on line 2024 includes a statement of the total amount of capital funding expended in the previous year in meeting Connect America Phase I deployment obligations, accompanied by a list of census blocks indicating where funding was spent. This covers year two - 54.313(b)(2)(ii). Round 2 recipients only.
- <2024A> Round 2 Recipient of Incremental Support?
- <2024B> Attach list of census blocks indicating where funding was spent in year two - 54.313(b)(2)(ii). Round 2 recipients only.
- <2025A> Round 1 or Round 2 Recipient of Incremental Support?
- <2025B> Attach geocoded Information for Phase I milestone reports (Round 1 for year three and Round 2 for year two) - Connect America Fund , WC Docket 10-90, Report and Order, FCC 13-
- <2015> 2016 and future Frozen Support Certification 47 CFR § 54.313(c)(4)

4005 Rural Broadband Experiment

Authorized Rural Broadband Experiment (RBE) recipients must address the certification for public interest obligations, provide a list of newly served community anchor institutions, and provide a list of locations where broadband has been deployed.

Public Interest Obligations – FCC 14-98 (paragraphs 26-29, 78)

Please address Line 4001 regarding compliance with the Commission’s public interest obligations. All RBE participants must provide a response to Line 4001.

4001. Recipient certifies that it is offering broadband to the identified locations meeting the requisite public interest obligations consistent with the category for which they were selected, including broadband speed, latency, usage capacity, and rates that are reasonably comparable to rates for comparable offerings in urban areas?

Community Anchor Institutions – FCC 14-98 (paragraph 79)

4003a. RBE participants must provide the number, names, and addresses of community anchor institutions to which they newly deployed broadband service in the preceding calendar year. On this line, please respond (yes – attach new community anchors, no – no new anchors) to indicate whether this list will be provided.

If yes to 4003A, please provide a response for 4003B.

4003b. Provide the number, names and addresses of community anchor institutions to which the recipient newly began providing access to broadband service in the preceding calendar year.	Name of Attached Document Listing Required Information	_____
---	--	-------

Broadband Deployment Locations – FCC 14-98 (paragraph 80)

4004a. Attach a list of geocoded locations to which broadband has been deployed as of the June 1st immediately preceding the July 1st filing deadline for the FCC Form 481.	Name of Attached Document Listing Required Information	_____
--	--	-------

4004b. Attach evidence demonstrating that the recipient is meeting the relevant public service obligations for the identified locations. Materials must at least detail the pricing, offered broadband speed and data usage allowances available in the relevant geographic area.	Name of Attached Document Listing Required Information	_____

Service Quality and Consumer Protection

The Company is committed to satisfying all applicable state and federal requirements related to consumer protection and service quality standards.

The Company complies with the Cellular Telecommunications and Internet Association's (CTIA) Consumer Code for Wireless Service.

1. Disclose Rates and Terms of Service – These are fully disclosed in advertising as well as on the Company's website.
2. Make Coverage Maps Available – Coverage maps are available on the Company's website; by inputting a zip code, customers can see a map of the coverage in that area.
3. Provide contract terms – this does not apply since i-wireless does not employ contracts.
4. Allow a trial service – Since Lifeline customers receive free service, there is no commitment to the service on their part. If the service does not suit their needs, they can cancel service at any time without penalty.
5. Provide Specific Disclosure in advertising – All Company advertising, including its website, fully discloses charges and service parameters.
6. Separately Identify Carrier Charges from Tax on Billing Statements – i-wireless does not render billing statements to its prepaid customers, but for every transaction they make, service charges vs. taxes are fully described.
7. Provide Customers with the Right to Terminate Service Upon Changes to Their Contract – As mentioned, we don't employ contracts so this provision does not apply. Customers can, however, cancel service at any time without penalty.
8. Provide Ready Access to Customer Service – Customers can call customer service for free by dialing 611 or an 800 number. These numbers are disclosed on the Company's website and in advertising and customer welcome materials. Of note, our customer care service provides exceptional service that generally well exceeds our prepaid wireless peers. We have deployed technology whereby customers are offered a convenient call back, if the hold time will be more than 2 minutes due to peak traffic periods. Customers may also access Customer Service online through the Company's website.
9. Promptly Respond to Customer Inquiries and Complaints from Government Agencies – We promptly respond to all complaints. If a customer care representative cannot help a customer, we have an escalation process. i-wireless is committed to resolving customer questions, concerns and complaints in a swift and satisfactory manner.
10. Privacy Policy – Our privacy policy is available, via link, on every page of the Company's website. Our Terms and Conditions also summarize the privacy policy and refer customers to the more extensive privacy policy itself, for more information.
11. Provide Consumers with Free Notifications for Voice, Data and Messaging Usage, and International Roaming – Because the Company's service is prepaid, customers are not able to incur overage charges. However, the Company provides, at no charge, (a) a notification to consumers of domestic wireless plans that include limited data allowances when consumers approach their allowance for data usage; (b) a notification to consumers of domestic voice and messaging plans that include limited voice and messaging allowances when consumers approach their allowance for those services; and (c) a notification to consumers without an

international roaming plan/package whose devices have registered abroad and who may incur charges for international usage. The Company also clearly and conspicuously discloses tools or services that enable consumers to track, monitor and/or set limits on voice, messaging and data usage.

12. Abide by the following principles regarding the ability of customers, former customers, and individual owners of eligible devices to unlock phones and tablets, ("mobile wireless devices") that are locked by or at the direction of the carrier –

- (1) Disclosure. The Company has posted on its website its clear, concise, and readily accessible policy on postpaid and/or prepaid mobile wireless device unlocking.
- (2) Postpaid Unlocking Policy. Not Applicable.
- (3) Prepaid Unlocking Policy. Upon request, the Company will unlock prepaid mobile wireless devices no later than one year after initial activation, consistent with reasonable time, payment or usage requirements.
- (4) Notice. The Company will clearly notify customers that their devices are eligible for unlocking at the time when their devices are eligible for unlocking or automatically unlock devices remotely when devices are eligible for unlocking, without additional fee. The Company reserves the right to charge non-customers/nonformer-customers with a reasonable fee for unlocking requests. Notice to prepaid customers may occur at point of sale, at the time of eligibility, or through a clear and concise statement of policy on the Company's website.
- (5) Response Time. Within two business days after receiving a request, the Company will unlock eligible mobile wireless devices or initiate a request to the OEM to unlock the eligible device, or provide an explanation of why the device does not qualify for unlocking, or why the carrier reasonably needs additional time to process the request.
- (6) Deployed Personnel Unlocking Policy. The Company will unlock mobile wireless devices for deployed military personnel who are customers in good standing upon provision of deployment papers.

The Company reserves the right to decline an unlock request if it has a reasonable basis to believe the request is fraudulent or the device is stolen.

Functionality in Emergency Situations

As a reseller, the Company relies upon its underlying facilities-based carrier for functionality in emergency situations. Through the Company's agreement with its underlying carrier, Sprint, the Company has the ability to remain functional in emergency situations. The Sprint wireless network has reasonable amounts of back-up power and the ability to reroute traffic around damaged facilities and manage traffic spikes resulting from emergency situations. Each cell site in the Sprint's network is equipped with two to four hours of battery back-up power. Many cell sites in the Sprint network provide overlapping coverage for neighboring areas, ensuring that coverage continues in the event of damage to a particular facility. These neighboring cell sites can be adjusted to provide coverage to a wider service area in the event of an emergency. As an MVNO of Sprint, these capabilities benefit i-wireless customers.

* Reflects plan charge after California LifeLine subsidy, federal Lifeline subsidy and any applicable additional company discounts are applied.

When a customer applies for Access Wireless' California LifeLine Service, a one-time allocation of promotional minutes will be applied to the customer's Access Wireless account. These promotional minutes are provided free-of-charge, and can be used until exhausted or 60 days from the date of activation, whichever comes first. When i-wireless receives notification from the California LifeLine Administrator regarding approval of the California LifeLine application, the company will notify the customer. If the customer is denied the California LifeLine benefit, the customer has the option of discontinuing use when the promotional minutes lapse or purchasing additional i-wireless airtime and selecting an available i-wireless prepaid retail plan. Eligible customers will receive a data-enabled handset in accordance with Access Wireless' Handset Policy.

Terms and Conditions

Introduction

Access Wireless is brought to you by i-wireless LLC, an Eligible Telecommunications Carrier (“ETC”) for the government-funded LifeLine Assistance program supported by the California LifeLine Program and the federal Universal Service Fund program (“LifeLine Assistance”). In California, the California LifeLine Program is administered by the California Public Utilities Commission and its designee, the California LifeLine Administrator. The California LifeLine program is funded by California ratepayers and is subject to all applicable California and federal laws. i-wireless LLC provides the Access Wireless mobile telecommunications services using Access Wireless phones provided free of charge, select i-wireless phones purchased from the Kroger family of store locations or an authorized retailer, or customer-supplied phones.

Basic Definitions

In this document: (1) “we,” “us,” “our” and “Access Wireless” mean i-wireless LLC; (2) “you,” “your,” “customer,” and “user” mean an account holder or user with us; (3) “Device” means any phone, airtime card, mobile broadband device, any other device, accessory, or other product that we provide you, we sell to you, or is active on your account with us; (4) “Service” means our offers, rate or service plans, options, wireless services, billing services, applications, programs, products or Devices on your account with us. “Service(s)” also includes any other product or service that we offer or provide to you that reference these General Terms and Conditions of Service (“T&C’s”).

The Service Agreement

These T&C’s are part of your service agreement with us (the “Agreement”) and constitute a contract under which we provide you Services under terms and conditions that you accept. **THIS CONTRACT CONTAINS A MANDATORY ARBITRATION PROVISION THAT DISALLOWS CLASS ACTIONS, A CLASS ACTION WAIVER PROVISION, AND A JURY WAIVER PROVISION.** In addition to these T&C’s, there are several parts of the Agreement, which include, but are not limited to the following: (i) the Access Wireless application; (ii) the subscriber agreement or transaction materials that you sign or accept; (iii) the plan(s) that you choose as set forth in our written services and transaction materials that we provide or refer you to during the sales transaction (if your service plan is not specifically set forth in any in-store brochure or printed materials, the requirements and terms set forth in the current Agreement and transaction materials apply, excluding service plan features such as pricing or minute, message and data allocation); (iv) any confirmation materials that we may provide to you; and (v) the terms set forth in the coverage map brochures. **It is important that you carefully read all of the terms of the Agreement.**

Additional Terms

Additional terms will apply when you use certain applications, programs, Devices, and service, and these terms may come from Access Wireless or a third party. You are subject to any terms provided by the third party, and the terms are directly between you and that third party. Access Wireless is not responsible for these third-party items and associated terms.

Our Policies

Services are subject to our business policies, practices, and procedures ("Policies"). You agree to adhere to all of our Policies when you use our Services. Our Policies are subject to change at any time with or without notice.

When You Accept the Agreement

You must have the legal capacity to accept the Agreement. When you accept the Agreement, you promise that you are at least 18 years old or an emancipated minor who is eligible to receive a LifeLine benefit, and meet the eligibility standards. You accept the Agreement when you do any of the following: (a) accept the Agreement through any printed, oral or electronic statement, for example, on the Web by electronically marking that you have reviewed and accepted; (b) activate a Device; (c) attempt to or in any way use the Services; or (d) open any package or start any program that says you are accepting the Agreement when doing so. **If you do not want to accept the Agreement, do not do any of these things.**

Service Activation

To activate the Service, you must activate your Access Wireless Device. To establish an account balance, pay subscription charges or make any other appropriate payments, follow the instructions provided with the equipment at www.accesswireless.com or through Access Wireless Customer Care.

Availability

Access Wireless is only available for activation by customers who reside in the areas in which i-wireless, or, in certain cases, an affiliate has been designated as an ETC. Your principal residence address must be within an i-wireless ETC designation service area. Visit www.accesswireless.com to check whether you reside in an i-wireless ETC service area. To be eligible for Access Wireless service, you must meet the applicable eligibility standards described below, which may be amended from time to time. Access Wireless is not authorized to offer service to customers living on Tribal Lands.

Eligibility

Eligibility for Access Wireless service varies by state. You may qualify for Access Wireless if you participate in any of the government assistance programs listed on your Access Wireless state application form or based on household income eligibility

standards. If you seek to qualify for Access Wireless based upon participation in a qualifying federal or state program, you are required to provide proof of program participation such as a program identification card or other social service agency document that demonstrates your current participation in a qualifying federal or state program. If you seek to qualify for Access Wireless under the household income standards, you are required to provide written documentation that your household income is at or below 150% of the National Poverty Level. Your account will remain active as long as you meet the applicable eligibility standards for Access Wireless. You are responsible for notifying Access Wireless if you no longer meet the applicable eligibility standards for Access Wireless. Additionally, if you receive a notice from Access Wireless (or in some states, the designated LifeLine Administrator) requesting that you confirm your eligibility status, you must do so.

One LifeLine Benefit Per Household

LifeLine Assistance is limited to one per household, consisting of either wireline or wireless service.. A household is defined, for purposes of the LifeLine program, as any individual or group of individuals who live together at the same address and share income and expenses. A household is not permitted to receive LifeLine benefits from multiple providers. Violation of the one benefit per economic household rule constitutes a violation of the federal rules and will result in de-enrollment from the LifeLine program and potentially prosecution by the United States government. You consent to have your personal identification information, including name, telephone number and address shared with the Universal Service Administrative Company (USAC), the LifeLine Program administrator, your state Public Service Commission, Public Utility Commission or other agency administering the Access Wireless LifeLine Program in your state for the purpose of confirming that neither you nor your household receive more than one LifeLine benefit. If you or any member of your family unit receives LifeLine Assistance from any other telephone company, you are responsible for notifying your current service provider that you have been approved for LifeLine Assistance through Access Wireless.

Eligibility is Personal

Eligibility for Access Wireless is personal to you. You may not transfer, to any third party, any of your rights or benefits received under the Access Wireless service, including, but not limited to, any voice minutes received under the Access Wireless service.

Consent to Disclosure of Information

By completing the Access Wireless application, you consent to the release of your information (including financial information) to our designated agent for the administration of your Access Wireless service. This consent survives the termination of this Agreement. You further authorize Access Wireless to discuss with, or access, information from state or federal agency representatives concerning your eligibility for, and participation in the LifeLine Assistance program. Access Wireless reserves the

right to review your eligibility status at any time and require you to provide Access Wireless with written documentation of either your household income or your participation in a qualifying federal or state program.

Our Right to Change the Agreement and Your Related Rights

We may change any part of the Agreement at any time, including, but not limited to, rates, charges, how we calculate charges, discounts, coverage, technologies used to provide services, or your terms of Service. We will provide you notice of material changes – and we may provide you notice of non-material changes – in a manner consistent with this Agreement (see “Providing Notice to Each Other Under the Agreement” section).

If you continue to access or use our Services or increase your account balance on or after the effective date of a change, you accept the change. Do not access or use our Services after the effective date of the change if you decide to reject the change and terminate Service. You will not be entitled to any credit for the unused portion of your account balance if you decide to terminate Service in response to a change to the Agreement.

Our Right to Suspend or Terminate Services

We can, without notice, suspend or terminate any Service at any time for any reasonable cause. For example, we can suspend or terminate any Service for the following: (a) failure to have or maintain an appropriate account balance for applicable charges; (b) harassing/threatening/abusing/offending our employees or agents; (c) providing false or inaccurate information; (d) interfering with our operations; (e) using/suspicion of using Services in any manner restricted by or inconsistent with the Agreement and Policies; (f) breaching, failing to follow, or abusing the Agreement or Policies; (g) modifying a Device from its manufacturer specifications (for example, rooting the device); or (h) if we believe the action protects our interests, any customer's interest, or our networks.

Your Right to Change Services & When Changes Are Effective

The account holder can typically change Services upon request. In some instances, changes may be conditioned on payment of certain charges. The effective date of any changes will depend on our Policies, the old Services, and the requested Services. We will not credit or refund any subscription or other charges as a result of a change in Services. We may—but are not obligated to provide you the opportunity to authorize someone else to make changes to your Services. You are responsible for any changes to your Services made by a person you authorize, and those changes will be treated as modifications to this Agreement.

Restrictions on Using Services

You can't use our Services: (a) in a way that could cause damage or adversely affect any of our other customers or our reputation, networks, property or Services; (b) in any

way prohibited by the Terms of our Services, the Agreement, or our Policies. You cannot in any manner resell the Service to another party. For additional restriction on the use of our Services, see our Terms of Use Policy which is available on our website, and the detailed plan or other information on Services that we provide or refer you to during the application or sales process.

Your Device, Number & Email Address; Caller ID

We don't manufacture any Device we might sell to you or that is associated with our Services, and we are not responsible for any defects, acts or omissions of the manufacturer. The only warranties on your Device are the limited warranties given to you by the manufacturer directly or that we pass through. Device performance may vary based on device specifications (for example, a device's software, memory, and storage), and device performance may impact access to all of our Services. This Device is sold exclusively for use with our Service and in other coverage areas that we may make available to you. As programmed, it will not accept wireless service from another carrier, you have no—and cannot gain any (for example, through publication, use, etc.) -proprietary ownership, or other rights to any phone number, identification number, email address, or other identifier that we assign to you, your Device or your account. We'll notify you if we decide to change or reassign them.

Porting/Transferring a Phone Number

We do not guarantee that number transfers to or from us will be successful. If you authorize another carrier to transfer a number away from us, then that is considered a request by you to us to terminate all of the Services associated with that number. There is no charge to you for porting your number to another provider.

Coverage

Our coverage maps are available on our website at www.accesswireless.com. The specific network coverage you get will depend on the radio transmissions your Device can pick up and Services that you've chosen. Our coverage maps provide high-level estimates of our coverage areas when using Services outdoors under optimal conditions. Coverage is not available everywhere. Coverage and Service speeds may depend on the Service purchased. Actual speeds will vary. Estimating wireless coverage, signal strength, and Service speed is not an exact science. There are gaps in coverage within our estimated coverage areas that –along with other factors both within and beyond our control (for example, network problems, network or Internet congestion, software, signal strength, your Device, structures, buildings, weather, geography, topography, server speeds of the websites you access, actions of third parties, etc.) –may result in dropped or blocked connections, slower Service speeds, or otherwise impact the quality of Service. Services that rely on location information such as E911 and GPS Navigation, depend on your Device's ability to acquire satellite **(typically not available indoors) and network coverage**. While your Device is receiving a software update, you may be unable to use your Device in any manner until the software update is complete.

About Data Services & Content

Our data Services and your Device may allow you to access the Internet, text, pictures, video, games, graphics, music, email, applications, sound and other materials (“Data Content”) or send Data Content elsewhere. Some Data Content is available from our vendors, or us while other Data Content can be accessed from others (for example, third party websites, games, ringers, applications, etc.). We make absolutely no guarantees about the Data Content that you access on your Device. Data Content may be: (1) unsuitable for children/minors; (2) unreliable or inaccurate; or (3) offensive, indecent, or objectionable. You are solely responsible for evaluating the Data Content accessed by you or anyone through you Services. We strongly recommend that you monitor your data usage by children/minors. Data Content from third parties may also harm your Device or its software. We are not responsible for any Data Content. We are not responsible for any damage caused by any Data Content that you access through your Services, that you load on your Device, or that you request that our representatives access or load on your Device. To protect our networks and Services or for other reasons, we may place restrictions on accessing certain Data Content (such as certain websites, applications, etc.); impose separate charges; limit throughput or the amount of data that you can transfer; or otherwise limit or terminate Services. If we provide you storage for Data Content that you have purchased, then we may delete the Data Content without notice or place restrictions/limits on the use of storage areas. Data Content stored on a Device, transmitted over our networks, or stored by Access Wireless may be deleted, modified, or damaged. You may not be able to make or receive voice calls while using Data Services. Data Content provided by our vendors or third parties is subject to cancellation or termination at any time without notice to you and you may not receive a refund for any unused portion of the Data Content.

Specific Terms & Restrictions On Using Data Services

In addition to the rules for using all of our other Services, unless we identify the Service or Device that you have selected as specifically intended for that purpose (for example, wireless routers, Data Link, etc.), you can’t use our Data Services: (1) with server devices or host computer applications, or other systems that drive continuous, heavy traffic or data sessions; (2) as a substitute or backup for private lines or frame relay connections; or (3) for any other unintended use as we determine in our sole discretion. We reserve the right to limit, suspend, or constrain any heavy, continuous data usage that adversely impacts our networks’ performance or hinders access to our networks. If your Services include Web or data access, you also can’t use your Device as a modem for computers or other equipment, unless we identify the Service or Device you have selected as specifically intended for that purpose (for example, with “phone as modem” plans, mobile broadband card plans, wireless router plans, etc.).

Software License

If Access Wireless provides you software as part of the Service and there are not software license terms provided with the software (by Access Wireless or by a third

party), then Access Wireless grants you a limited, revocable, non-exclusive, non-transferable license to use the software to access the Services for your own individual use. You may not sell, resell, transfer, copy, translate, publish, create derivative works of, make any commercial use of, modify, reverse engineer, decompile, or disassemble the software. Access Wireless may revoke this license at any time.

Fees, Activation, & Miscellaneous Charges

Based on our Policies, we may charge activation, prepayment, reactivation, program, or other fees to establish, change, or maintain Services. Certain transactions may also be subject to a charge (for example, convenience payment, changing phone numbers, handset upgrades, etc.). You will be provided notice of these types of fees before we complete the requested transaction.

Based on our current Policies, Access Wireless imposes a \$39 activation fee. The California LifeLine program will reimburse this fee on your behalf only if you are either (1) establishing California LifeLine Service for the first time, or (2) switching to Access Wireless from another wireless California LifeLine service provider. The California LifeLine program will not reimburse the activation fee more than twice during the period beginning December 24, 2015 and ending on December 23, 2016 (or an earlier date if set by the California Public Utilities Commission). When you apply for Access Wireless service, the Company will apply a company-funded credit to your account, and will waive the activation fee for each California LifeLine participant that is ineligible for reimbursement, so that you will not have to pay any portion of the activation fee for which California LifeLine Program reimbursement is not available.

Usage Charges

The types of charges that you incur will vary depending on the Service used and your service plan. **You are responsible for the Services on your account and associated charges, including charges made by a person you permit to have direct or indirect access to your device even if you did not authorize its use.** Charges may include, but are not limited to, prepayment for service charges; charges for additional services; and taxes, surcharges, and fees associated with your Services. For the actual usage charges applicable to your Service, see the detailed plan or other information we provide or refer you to during the application or sales process or on our website. Depending on your Services, charges for additional services may include operator and directory assistance, voicemail, call forwarding, data calls, texts, and Web access. If you (the account holder) allow end users to access or use your Device, you authorize end users to access, download, and use Services. You will generally be charged for use of Services before or at the time of use in accordance with your service plan. In certain instances, we may charge at some point after you use the Service. Rates that vary based on the time of access will be determined based on the location of the network equipment providing service and not the location of your device or your device's area code (if applicable). Charges are generally deducted from your account balance (for example, pay-per-use charges, subscription charges, etc.), though in some instances

you may be able to pay for certain Services through a credit card, debit card, or other payment method. If you have incurred charges or fees that were not charged prior to your account balance reaching a zero balance, we may deduct these outstanding, unpaid charges and fees from any subsequent amounts you add to your account balance.

Types of Charges

We typically assess the following types of charges: (1) “pay-per-use charges,” which are charges assessed each time a Service is used; (2) “subscription charges,” which are charges that allow you access to a Service or provide you a certain amount of use of a Service for a defined period of time. Subscription charges for Services end at 12:01 a.m., in the time zone in which your phone number is based, on the last day of your subscription period. Also, depending on your Service, certain types of subscription charges may be assessed automatically upon activation and automatically assessed for subsequent subscription periods; and (3) “download charges,” which are charges assessed when you download or access content, which we collect on behalf of ourselves or third-party content providers.

How We Calculate Your Charges

Regular Voice Calls: We round up partial minutes of use to the next full minute. Time starts when you press “Talk” or your Device connects to the network and stops when you press “End” or the network connection otherwise breaks. You’re charged for all calls that connect, even to answering machines, voicemail, or voice transcription services. You will not be charged for unanswered calls or if you get a busy signal. For incoming calls answered, you’re charged from the time shortly before the Device starts ringing until you press “End” or the network connection otherwise breaks. You’re charged for the entire call based on the rate that applies to the time period in which the call starts. However, the types of charges actually deducted from your account balance will vary depending on your Service. Call time data displayed on your device may be inaccurate and may not be relied upon for determining charges to your account. Calls are limited to two hours. The call will automatically terminate after two hours.

Data Usage: Depending on your Service, you may be charged for data usage. Unless we specifically tell you otherwise, data usage is measured in bytes, kilobytes, megabytes, and gigabytes—not in minutes/time. 1024 bytes equal 1 kilobyte (“KB”), 1024 KB equals 1 megabyte, and 1024 megabytes equals 1 gigabyte. Bytes are rounded up to KB, so you will be charged at least 1 KB for each data usage session (“data session”). Rounding occurs at the end of each data session and sometimes during a data session. Depending on your data Services, usage may be charged against an allowance or on a fixed price per KB, and you may be subject to limitations on the amount of data usage. If you are charged on a fixed price per KB, any fractional cents will be rounded up to the next cent. You are charged for all data directed to your Device’s Internet address, including data sessions you did not initiate and for incomplete transfers. As long as your Device is connected to our data networks, you

may incur data charges. Examples of data for which you will be charged include the size of a requested file or Data Content (game, ringer, etc.); Web page graphics (logos, pictures, banners, advertisement, etc.); additional data used in accessing, transporting, and routing the file on our network; data from partial or interrupted downloads; re-sent data; and data associated with unsuccessful attempts to reach websites or use applications. These data charges are in addition to any charges for the Data Content itself (game, ringer, etc.). Data used and charged to you will vary widely, even between identical actions or data sessions. Estimates of data usage—for example, the size of downloadable files—are not reliable predictors of actual usage.

Taxes & Government Fees

You agree to pay all federal, state, and local taxes, fees, and other assessments that we're required by law to collect and remit to the government on the Services that we provide to you. These charges may change from time to time without advance notice. If you're claiming any tax exemption, you must provide us with a valid exemption certificate. Tax exemptions generally won't be applied retroactively.

California LifeLine participants are exempt from taxes and surcharges, CPUC user fee, federal excise tax, local franchise taxes, and State 911 tax associated with telephone service. California LifeLine participants are not required to purchase bundled plans with video, data and/or other services in order to receive California LifeLine discount. i-wireless LLC does not require service contracts for its prepaid services.

Surcharges

When imposed, unless prohibited by applicable law or agreement, you agree to pay all surcharges ("Surcharges"), which may include, but are not limited to: Federal Universal Service; various regulatory charges; Access Wireless administrative charges; gross receipts charges and certain other taxes imposed upon Access Wireless; or charges for the costs that we incur and pass along to you. **Surcharges are not taxes, and we are not required to assess them by law. They are charges we choose to collect from you, are part of our rates, and are kept by us in whole or in part. The number and type of Surcharges will be provided and may vary depending upon the location of the transaction or the primary account address of the payment method or Device and can change over time. We determine the rate for these charges, and these amounts are subject to change as are the components used to calculate these amounts.** We will provide you notice of any changes to Surcharges in a manner consistent with this Agreement (see "Providing Notice To Each Other Under The Agreement" section). However, since some Surcharges are based on amounts set by the government or based on government formulas, it will not always be possible to provide advance notice of new Surcharges or changes in the amount of existing Surcharges. Information on Surcharges is provided during the sales transaction and is available on our website.

Disputing Charges

Any dispute to a charge that we assess you must be made in writing within 60 days of the date we deduct the charge from your account balance. The Customer may also utilize the complaint resolution process available to ratepayers through the California Public Utilities Commission's Consumer Affairs Branch. This can be done by mail at CPUC Consumer Affairs Branch, 505 Van Ness Ave., San Francisco, CA 94102 or online at <http://www.cpuc.ca.gov/complaints/>.

You accept all charges not properly disputed as stated above.

About Account Balances

To keep your account active and avoid service interruption, you must either maintain a positive account balance at all times or pay any applicable subscription charges (depending on your service plan). Account balances are not transferable, redeemable for cash, or refundable. Charges are deducted from either your account balance or you may be able to pay for certain services with a credit card or debit card. There may be limits on your account administration, for example account balance, number change, and device changes. See the detailed plan or other information we provide or refer you to during the sales transaction for the account status rules that apply to your Service.

No Refunds of Top-Up and Monthly Charges: We are not responsible for, nor do we refund, lost, stolen, misused, or damaged Top-Up cards. We do not accept returns of or provide refunds for Top-Up cards. Top-Up cards must be applied to your account within the time specified on the card. All Top-Up sales are final and non-refundable regardless of who uses or possesses your mobile phone or device after you purchase services, and regardless of whether the mobile phone or device is used with your consent or knowledge.

Establishing or Replenishing Account Balances

Information on how you can establish and maintain an account balance will be provided at activation and is also available at www.accesswireless.com or through Access Wireless Customer Care. The replenishment methods available to you will depend on the terms of your Service. A fee may apply to certain replenishment methods. Some service plans may provide for automatic account balance replenishment through, for example, automatic billing to a credit card or debit card or automatic debit from an eligible account with a financial institution. Payment through these methods may be subject to limitations, including, but not limited to, the number of times an account may be debited or charged in a particular time period; the amount that may be debited or charged from an account; or other limitations imposed by us or the financial institution that holds the account.

Protecting Our Networks & Services

We can take any reasonable action to: (1) protect our networks, our rights and interests,

or the rights of others; or (2) optimize or improve the overall use of our networks and Services. Some of these actions may interrupt or prevent legitimate communications and usage—for example, message filtering/blocking software to prevent spam or viruses; limiting throughput; limiting access to certain websites, applications or other Data Content; prohibitions on unintended uses (for example, use as a dedicated line or use as a monitoring service); etc. For additional information on what we do to protect our customers, networks, Services and equipment, see our Terms of Use policy on our website.

Your Privacy

Our Privacy Policy is available at www.accesswireless.com. This policy may change from time to time, so review it with regularity and care.

Call Monitoring: To ensure the quality of our Services and for other lawful purposes, we may monitor or record calls between us (for example, your conversations with our customer service or sales departments).

Authentication and Contact: You (the account holder) may password protect your account information by establishing a personal identification number (“PIN”). You may also set a backup security question and answer in the event you forget your PIN. You agree to protect your PIN, passwords, and other account access credentials like your backup security question from loss or disclosure. You further agree that Access Wireless may, in our sole discretion, treat any person who presents your credentials that we deem sufficient for account access as you or an authorized user on the account for disclosure of information or changes in Service. You agree that we may contact you for Service-related reasons through the contact information that you provide, through the Services or Devices to which you subscribe, or through other available means, including text message, email, fax, recorded message, mobile, residential or business phone, or mail.

CPNI: As we provide telecommunications products and Services to you (the account holder), we develop information about the quantity, technical configuration, type, location, and destination of telecommunications products and Services you use, as well as some other information found on your bill (“CPNI”). Under federal law, you have the right, and we have a duty, to protect the confidentiality of your CPNI. For example, we implement safeguards that are designed to protect your CPNI, including authentication procedures when you contact us.

Third-Party Applications: If you use a third-party application, the application may access, collect, use, or disclose your personal information or require Access Wireless to disclose your information—including location information (when applicable)—to the application provider or some other third party. If you access, use, or authorize third-party applications through the Services, you agree and authorize Access Wireless to provide information related to your use of the Services or the application(s). You

understand that your use of third-party applications is subject to the third party's terms and conditions and policies, including its privacy policy. Be sure that you have reviewed and are comfortable with the third party's policies before using its application on your device.

Information on Devices: Your Device may contain sensitive or personal information (for example, pictures, videos, passwords, or stored credit card numbers). Access Wireless is not responsible for any information on your Device, including sensitive or personal information. If possible, you should remove or otherwise safeguard any sensitive or personal information when your Device is out of your possession or control, for example, when you relinquish, exchange, return, or recycle your Device. By submitting your Device to us, you agree that our employees, contractors, or vendors may access all of the information on your Device. If you exchange, return, or recycle your Device through us, we typically attempt to erase data on your Device but you must remove all data from your Device before you provide it to us.

Location-Enabled Services

Our networks generally know the location of your Device when it is outdoors and/or turned on. By using various technologies to locate your Device, we can provide enhanced emergency 911 services and optional location-enabled services provided by a third party or us. Network coverage or environmental factors (such as structures, buildings, weather, geography, landscape, and topography) can significantly impact the ability to access your Device's location information and use of location-enabled services.

You agree that any authorized user may access, use, or authorize Access Wireless or third-party location-enabled applications through the Services. You understand that your use of such location-enabled applications is subject to the application's terms and conditions and policies, including its privacy policy. If you activate location-enabled services for devices used by other authorized users, you agree to inform the authorized user(s) of the terms of use for location-enabled applications and that the Device may be located.

Emergency Calls and Safety Notices

Access Wireless provides free, unlimited calls to 911 emergency services in compliance with current federal and state laws and regulations and provides information regarding 911 emergency services.

Public Safety Officials advise that when making 911 or other emergency calls, you should always be prepared to provide your location information. Unlike traditional wireline phones, depending on a number of factors (for example, whether your handset is GPS enabled, where you are, whether local emergency service providers have upgraded their equipment, etc.), 911 operators may not know your phone number, your location or the location of your handset. In certain circumstances, an emergency call

may be routed to a state patrol dispatcher or alternative location set by local emergency service providers. Enhanced 911 service ("E911") and where enabled by local emergency authorities and uses GPS technology to provide location information. Even when available, however, E911 does not always provide accurate location information. If your handset is indoors or for some other reason cannot acquire a satellite signal, you may not be located. Some handsets have a safety feature that prevents use of the keypad after dialing 911 - you should follow voice prompts when interacting with emergency service.

Occasionally, callers may attempt to make calls in areas where there is no wireless coverage. If there is no wireless coverage, your call, (including your call to 911) may not complete. In these situations, 911 calls should be made from the nearest wireline phone. Additionally, your handset will not work if wireless towers and related equipment loses commercial power and does not have back-up power and/or your handset is not charged.

By removing your wireless mobile phone from a residence that does not have other services, residents may not have a way to make 911 calls during an emergency.

i-wireless LLC will provide access to two California LifeLine discounted telephone lines to Deaf and Disabled Telecommunications Program participants.

If Your Device Is Lost Or Stolen

Call us immediately if your Device is lost or stolen because you may be responsible for usage charges before you notify us of the alleged loss or theft. You agree to cooperate if we choose to investigate the matter (provide facts, sworn statements, etc.). We may not credit or refund any account balance if you choose to terminate Services as a result of loss or theft of your Device. If you do not either activate a new device or notify us that you have found your device within 60 days of the suspension of your account, your account will be deactivated, we may assess a charge equal to the balance in your account (which is not refundable), and, if applicable, you will lose your phone number.

Disclaimer Of Warranties

UNLESS EXPRESSLY PROVIDED IN WRITING OTHERWISE, WE MAKE NO REPRESENTATIONS OR WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING (TO THE EXTENT ALLOWED BY LAW) ANY IMPLIED WARRANTY OF MERCHANTABILITY, NON-INFRINGEMENT, OR FITNESS FOR A PARTICULAR PURPOSE CONCERNING YOUR SERVICES (INCLUDING YOUR DEVICE). WE DON'T PROMISE UNINTERRUPTED OR ERROR-FREE SERVICES AND DON'T AUTHORIZE ANYONE TO MAKE WARRANTIES ON OUR BEHALF.

You Agree That We Are Not Responsible For Certain Problems

You agree that neither we, nor our subsidiaries, affiliates, parent companies, vendors,

suppliers, or licensors are responsible for any damages resulting from: (a) anything done or not done by someone else; (b) providing or failing to provide Services, including, but not limited to, deficiencies or problems with a Device or network coverage (for example, dropped, blocked, interrupted Services, etc.); (c) traffic or other accidents, or any health-related claims relating to our Services; (d) Data Content or information accessed while using our Services; (e) an interruption or failure in accessing or attempting to access emergency services from a Device, including through 911, Enhanced 911 or otherwise; (f) interrupted, failed, or inaccurate location information services; (g) information or communication that is blocked by a spam filter; (h) damage to your Device or any computer or equipment connected to your Device, or damage to or loss of any information stored on your Device, computer, equipment, or Access Wireless storage space from your use of the Services or from viruses, worms, or downloads of malicious content, materials, data, text, images, video, or audio; or (i) things beyond our control, including acts of God (for example, weather-related phenomena, fire, earthquake, hurricane, etc.), riot, strike, war, terrorism, or government orders or acts. You should implement appropriate safeguards to secure your Device, computer, or equipment and to backup your information stored on each.

You Agree That Our Liability Is Limited - No Consequential Damages

TO THE EXTENT ALLOWED BY LAW, OUR LIABILITY FOR MONETARY DAMAGES FOR ANY CLAIMS THAT YOU MAY HAVE AGAINST US IS LIMITED TO NO MORE THAN THE PROPORTIONATE AMOUNT OF THE SERVICE CHARGES ATTRIBUTABLE TO THE AFFECTED PERIOD. UNDER NO CIRCUMSTANCES ARE WE LIABLE FOR ANY INCIDENTAL, CONSEQUENTIAL, PUNITIVE, MULTIPLE, OR SPECIAL DAMAGES OF ANY NATURE WHATSOEVER ARISING OUT OF OR RELATED TO PROVIDING OR FAILING TO PROVIDE SERVICES IN CONNECTION WITH A DEVICE, INCLUDING, BUT NOT LIMITED TO, LOST PROFITS, LOSS OF BUSINESS, OR COST OF REPLACEMENT PRODUCTS AND SERVICES.

DISPUTE RESOLUTION AND ARBITRATION

We Each Agree To First Contact Each Other With Any Disputes

We each agree to first contact each other with any Disputes (defined below) and provide a written description of the problem, relevant documents and supporting information, and the proposed resolution. We agree to contact each other as described in the "Providing Notice To Each Other Under The Agreement" section.

Instead Of Suing In Court, We Each Agree To Arbitrate Disputes

We each agree to arbitrate all Disputes between us, on an individual basis, not on a class wide or consolidated basis. This agreement to arbitrate is intended to be broadly interpreted. In arbitration, there is no judge or jury. However, just as a court would, the arbitrator must honor the terms and limitations in the Agreement and can award damages and relief, including any attorneys' fees authorized by law. The arbitrator's decision and award is final and binding, with some exceptions under the Federal

Arbitration Act ("FAA"), and judgment on the award may be entered in any court with jurisdiction. We each also agree as follows:

- (1) **"Disputes" are any claims or controversies against each other related in any way to or arising out of in any way our Services or the Agreement, including, but not limited to, coverage, Devices, billing services and practices, policies, contract practices (including enforceability), service claims, privacy, or advertising, even if it arises after Services have terminated.** Disputes include claims that: (a) you bring against our employees, agents, affiliates, or other representatives; (b) you bring against a third party, such as a retailer or equipment manufacturer, that are based on, related to, or arise out of in any way our Services or the Agreement; or (c) that we bring against you. It also includes, but is not limited to claims related in any way to or arising out of in any way any aspect of the relationship between us, whether based in contract, tort, statute, fraud, misrepresentation, or any other legal theory.
- (2) If either of us wants to initiate a claim to arbitrate a Dispute, we each agree to send written notice to the other providing a description of the dispute, a description of previous efforts to resolve the dispute, relevant documents and supporting information, and the proposed resolution. Notice to you will be sent as described in the "Providing Notice To Each Other Under The Agreement" section and notice to us will be sent to: Access Wireless, 1 Levee Way, Suite 3104, Newport, KY 41071. We each agree to make attempts to resolve the dispute prior to filing a claim for arbitration. If we each cannot resolve the dispute within forty-five (45) days of receipt of the notice to arbitrate, then we each may submit the dispute to formal arbitration.
- (3) The FAA applies to this Agreement and arbitration provision. We each agree that the FAA's provisions—not state law—govern all questions of whether a dispute is subject to arbitration.
- (4) Unless we each agree otherwise, the Arbitration will be conducted by a single, neutral arbitrator and will take place in the county of the last billing address of the Service.
- (5) The arbitration will be governed and conducted by (a) a neutral third-party arbitrator selected by each of us and based upon rules mutually agreed to by each of us or (b) JAMS. The JAMS rules, including rules about the selection of an arbitrator, filing, administration, discovery, and arbitrator fees, will be conducted under JAMS Comprehensive Arbitration Rules & Procedures. The JAMS rules are available on its website at www.jamsadr.com. To the extent that this "Dispute Resolution and Arbitration" section conflicts with JAMS's minimum standards for procedural fairness, the JAMS's rules or minimum standards for arbitration procedures in that regard will apply. However, nothing in this paragraph will require or allow us or you to arbitrate on a class-wide or consolidated basis.
- (6) **WE EACH AGREE THAT WE WILL ONLY PURSUE ARBITRATION ON AN**

INDIVIDUAL BASIS AND WILL NOT PURSUE ARBITRATION ON A CLASS-WIDE OR CONSOLIDATED BASIS. We each agree not to pursue arbitration on a class-wide basis. We each agree that any arbitration will be solely between you and Access Wireless (not brought on behalf of or together with another individual's claim). If for any reason any court or arbitrator holds that this restriction is unconscionable or unenforceable, then our agreement to arbitrate doesn't apply and the dispute must be brought in court.

(7) We each are responsible for our respective costs relating to counsel, experts, and witnesses, as well as any other costs relating to the arbitration. However, we will pay for the arbitration administrative or filing fees, including the arbitrator fees. Otherwise the JAMS Comprehensive Arbitration Rules & Procedures and the JAMS Policy on Consumer Arbitrations Pursuant to Pre-Dispute Clauses, Minimum Standards of Procedural Fairness regarding costs and payment apply.

Exceptions To Our Agreement To Arbitrate Disputes

Either of us may bring qualifying claims in small claims court. In addition, this arbitration provision does not prevent you from bringing your dispute to the attention of any federal, state, or local government agency that can, if the law allows, seek relief against us on your behalf.

No Class Actions

TO THE EXTENT ALLOWED BY LAW, WE EACH WAIVE ANY RIGHT TO PURSUE DISPUTES ON A CLASS-WIDE BASIS; THAT IS, TO EITHER JOIN A CLAIM WITH THE CLAIM OF ANY OTHER PERSON OR ENTITY OR ASSERT A CLAIM IN A REPRESENTATIVE CAPACITY ON BEHALF OF ANYONE ELSE IN ANY LAWSUIT, ARBITRATION, OR OTHER PROCEEDING.

No Trial By Jury

TO THE EXTENT ALLOWED BY LAW, WE EACH WAIVE ANY RIGHT TO TRIAL BY JURY IN ANY LAWSUIT, ARBITRATION, OR OTHER PROCEEDING.

Indemnification

You agree to indemnify, defend, and hold Access Wireless and our subsidiaries, affiliates, parent companies, vendors, suppliers, and licensors harmless from any claims arising out of or relating to your actions, including, but not limited to, your use of the Service and any information you submit, post, transmit, or make available via the Service; failing to provide appropriate notices regarding location-enabled services (see "Location-Enabled Services" section); failure to safeguard your passwords, backup question to your shared secret question, or other account information; or violating this Agreement or any policy referenced in this Agreement, any applicable law or regulation, or the rights of any third party.

Providing Notice To Each Other Under The Agreement

Except as the Agreement specifically provides otherwise, you must deliver written notice to us by mail to Access Wireless, 1 Levee Way, Suite 3104, Newport, KY 41071. We will provide you notice by correspondence to your last known address in our records, to any fax number or email address you've provided us, by calling you on your Device or any other phone number you've provided us, by voice message on your Device or any other phone number you've provided us, or by text message on your Device.

Other Important Terms

Subject to federal law or unless the Agreement specifically provides otherwise, this Agreement is governed solely by the laws of the state encompassing the area code assigned to your Device, without regard to the conflicts of law rules of that state. If either of us waives or doesn't enforce a requirement under this Agreement in an instance, we don't waive our right to later enforce that requirement. Except as the Agreement specifically provides otherwise, if any part of the Agreement is held invalid or unenforceable, the rest of this Agreement remains in full force and effect. This Agreement isn't for the benefit of any third party except our corporate parents, affiliates, subsidiaries, agents, and predecessors and successors in interest. You can't assign the Agreement or any of your rights or duties under it. We can assign the Agreement without notice. You cannot in any manner resell Devices or Services to another party. You cannot export any Device. The Agreement and the documents it incorporates make up the entire agreement between us and replace all prior written or spoken agreements—you can't rely on any contradictory documents or statements by sales or service representatives. The rights, obligations, and commitments in the Agreement that—by their nature—would logically continue beyond the termination of Services (for example, those relating to billing, payment, 911, dispute resolution, no class action, no jury trial) survive termination of Services.

Trademarks and Licenses

The i-wireless brand and family of marks are registered trademarks used under license by i-wireless LLC. Sprint and Sprint PCS are registered trademarks of Sprint Nextel. You agree not to infringe, misappropriate or otherwise violate the intellectual property rights of i-wireless, Sprint or any other carrier. You agree that a violation of this paragraph causes harm that cannot be fully redressed by monetary damages, and that in the event of such violation or threatened violation, i-wireless is entitled to immediate injunctive relief, without posting a bond or additional security, in addition to all other rights and remedies available.

Important Service/Product Specific Terms

These terms are subject to the Access Wireless General Terms and Conditions. Prices, rates, offers and programs are subject to change without notice, may not be available

with all devices or in all markets/retail locations, or combinable with other promotions/options. Monthly service charges are not refunded or prorated if service is terminated or modified before your next payment date. Unused monthly service allotments, including, but not limited to, plan minutes, messages or data allotments, expire at the end of each monthly plan period or when a customer switches service plans and do not carry forward except when additional funds (minimum of \$10 to the account within the previous 60 days or when a FREE Wireless Reward credit has been applied to the account within the prior 45 days. A maximum cap of 1500 minutes applies. Any minutes beyond the 1500-minute cap may not be applied. Partial minutes of use are rounded up to the next whole minute.

Nature of our Service

Access Wireless is brought to you by i-wireless, LLC on the Nationwide Sprint Network and is a LifeLine Assistance program supported by the federal Universal Service Fund program ("LifeLine Assistance"). Access Wireless service is limited to eligible customers (varies by state and subject to continued verification) and is non-transferable. Only one LifeLine Assistance benefit (wireless or wireline) per household is allowable. The primary use of any device used with the Service must be for domestic purposes within the Sprint-owned network and for other purposes outlined in our offers. Domestic means use in the 48 contiguous states, Hawaii, DC, Puerto Rico and the Virgin Islands. Consumers who make willful false statements to obtain benefits may be punished by fine or imprisonment or may be barred from the program.

Messaging (text, picture, video, email and IM)

Domestic & international rates are subject to change. Standard message rates are charged when a message is sent or received, whether read or unread, viewed or unviewed, solicited or unsolicited. **International:** International calls are charged at the per-minute rate for the country being called plus your standard airtime rate. International long distance rates vary & are subject to change without notice (visit www.accesswireless.com for current rate information). **GPS Navigation:** Environment may limit GPS location information. **Third-Party Content:** Subscribers may purchase mobile content on a per-item or monthly basis from Access Wireless or i-wireless storefronts and other entities. Content fees will be deducted from subscriber's account balance. Subscribers are responsible for all billed content, including content purchased by others authorized to use devices on the account. Call customer service for information on usage controls (e.g., account blocking tools). Local phone numbers may not be available in certain markets. Additional fees may apply for phone number or equipment change requests processed by customer service. You can request to change your mobile phone number up to three times each year. You may check your balance at any time free of charge online at www.accesswireless.com or from your mobile phone. Your account history is available online for 60 days unless you switch service options.

Adding Funds to Your Account

You must add money to create a cash balance in your Access Wireless account to pay for incremental voice, text or data services (e.g. third-party content) or for wireless usage beyond the free monthly allotment of voice minutes, data, and domestic text messages reflected in your plan. Funds can be added using one of Access Wireless' Payment methods (credit, debit, PIN or Top-Up card). Customers can add a maximum of \$50 to their accounts in a single transaction. Funds cannot be used for any other wireless service. Adding funds through Access Wireless customer service may result in processing fees.

Payment Methods for Paid Service Options

For wireless phone usage in addition to your free monthly minute allocation and in order to utilize messaging, data and other enhanced services or features, you must add money to the cash balance of your Access Wireless account.

Top-Up

You add money to the cash balance of your Access Wireless account by using one of our Top-Up methods. You can Top-Up your account by (1) registering your credit/debit card, or (2) buying Access Wireless or i-wireless airtime cards at any of the Kroger family of store locations. Access Wireless and/or i-wireless airtime cards are available in \$10, \$25, \$35 and \$50 denominations. Electronic PINs may also be purchased at select retailers. Sales taxes apply.

The minimum Top-Up amount when using a credit card or debit card is \$25. The value of any Top-Up amount or card cannot be applied to any wireless service other than Access Wireless.

Airtime Cards

Purchase an Access Wireless or i-wireless airtime card at an authorized distributor, including the Kroger family of stores such as Kroger, Ralphs, Dillons, Fred Meyer, Smith's, King Soopers, City Market, Fry's, Food4Less, Baker's, Owen's, JayC, Hilander, Gerbes, Scott's & Pay Less. To activate an Access Wireless or i-wireless airtime card, simply call 611 dial to redeem the card amount. Each airtime card denomination is valid for a specific number of days, which is published on the back of the card, once the airtime card has been applied to the account. The number of days an airtime card is valid is as follows:

- \$ 5 airtime PINs are valid for 10 calendar days from the date of activation.
- \$10 airtime cards are valid for 30 calendar days from the date of activation.
- \$25 airtime cards are valid for 60 calendar days from the date of activation.
- \$35 airtime cards are valid for 90 calendar days from the date of activation.
- \$50 airtime cards are valid for 90 calendar days from the date of activation.

Upon the expiration of such period (i.e. 10/30/60/90 days), any remaining value will expire, except that if a new airtime card is added before expiration of the period, in

which case the expiration on all remaining airtime extends to the expiry date of the new airtime card.

To the extent that top-up amounts are used towards the purchase of a rate plan, the expiration date applicable to that rate plan will control.

Airtime cards default to the assigned minutes for the specific rate plan selected by the customer (see Schedule of Rates and Charges). At the customers' option, the dollar value of the card can also be assigned to your account (i.e., added as a "cash balance") for use against miscellaneous charges, such as international calling or additional data services.

Auto Refill

You can register to automatically refill your account. By registering for Auto Refill, you agree to have the Auto Refill amount you have selected deducted from your credit card or debit card and added to your Access Wireless account once a month on your selected rate plan's monthly renewal date to cover your monthly plan fee. There is a limit of three credit card transactions per phone in a 30-day period.

You can set up, modify, or cancel your Auto Refill preferences by logging into your account at www.accesswireless.com or by calling Access Wireless at 1-866-594-364

Payment for Services with Cash Balance

Your cash balance may be used for services such as international calls, Directory Assistance calls, Picture Messaging and Downloads.

Monthly Minute Allocation, Airtime Rates & Usage

While you are enrolled in the Access Wireless program, you will receive a free monthly allotment of airtime minutes as provided for the Access Wireless LifeLine Assistance program approved in your state. Access Wireless airtime is issued in minute (or unit) increments. Units are deducted from the Access Wireless phone at a rate of one (1) unit per minute or partial minute of use. There is no additional charge for domestic long distance. Use of a wireless system typically begins when you press the "send," "call" or other key to initiate or answer a call and does not end until you press the "end" key or the call is otherwise terminated.

For outbound calls, you may be charged airtime for incomplete and/or busy-no answer calls. Airtime minutes will be deducted for use of other services such as text messaging and accessing the web and downloading content to your Access Wireless phone. No credit or refund is given for dropped calls.

Selecting a Rate Plan

As a California LifeLine Customer you must select a rate plan from the list of approved LifeLine plans. When applying a Top-Up option you may direct the Top-Up amount to

be used for miscellaneous charges or applied to your selected rate plan. Top-Up amounts purchase different services based on the rate plan selected. Below is a chart describing what each Top-Up option purchases for the selected Rate Plan.

	CALIFORNIA LIFELINE UNLIMITED TALK & TEXT PLAN	CALIFORNIA LIFELINE 1000 MINUTE, UNLIMITED TEXT & 200 MB PLAN	CALIFORNIA LIFELINE UNLIMITED TALK, TEXT & 500 MB PLAN	CALIFORNIA LIFELINE UNLIMITED TALK, TEXT & 2 GB PLAN
\$ 5 PIN	N/A	Additional 100 Minutes	N/A	N/A
\$10 Card	Additional 500 MB	Upgrade to Unlimited Talk, & an Additional 500 MB	Additional 500 MB	Additional 500 MB
\$25 Card	Additional 2 GB	Upgrade to Unlimited Talk & an Additional 2 GB	Additional 2 GB	Additional 2 GB
\$35 Card	Additional 2 GB & \$10 on Account	Upgrade to Unlimited Talk & an Additional 3 GB	Additional 2 GB & \$10 on Account	Additional 2 GB & \$10 on Account
\$50 Card	Additional 2 GB & \$25 on Account	Upgrade to Unlimited Talk, an Additional 3 GB, & \$15 on Account	Additional 2 GB & \$25 on Account	Additional 2 GB & \$25 on Account

Promotional Airtime Minutes

When you apply for California LifeLine Service with Access Wireless, a one-time allocation of promotional minutes will be applied to your new Access Wireless account. These minutes are at no cost to you and can be used until exhausted or 60 days from the date of activation, whichever comes first. When Access Wireless receives notification from the California LifeLine Administrator regarding approval of the California LifeLine application, the company will notify you. If you are approved for the California LifeLine benefit, you will be notified by text message and the benefit will be added to your account. If you are denied the California Lifeline benefit, you have the option of discontinuing use when the promotional minutes lapse or purchasing additional i-wireless airtime and selecting an available i-wireless prepaid retail plan.

Handset Policy

As a Company-provided benefit distinct from the California LifeLine supported benefit,

the Company will provide a data-enabled phone free of charge to eligible customers in accordance with the Company's Handset Policy. Under our current Handset Policy, eligible customers are generally limited to those customers that have never had wireless California LifeLine service and customers switching California LifeLine service from their initial wireless California Lifeline service provider, provided that customers that have already received two free handsets from Access Wireless will not be eligible. Eligibility for this Company-provided benefit will be determined by Access Wireless, in its sole discretion, based on Access Wireless' customer records and other data available to the Company, such as data provided by the customer. Access Wireless reserves the right to deny eligibility to prevent waste, fraud, or abuse. If you are not determined to be eligible for a free handset under the Handset Policy, you will be given the option to either purchase a phone from Access Wireless or to provide your own compatible device in order to use the Access Wireless service.

Free Monthly Airtime Allotment

Your free monthly airtime allotment will automatically be applied on the first day of your monthly service cycle. These units may be used for making or receiving voice calls or for sending and receiving domestic text messages if on a rate plan that includes limits on text messaging. Your free monthly LifeLine airtime credit is applied on the same date each month. Unused Minutes/Texts, Data or Picture Mail will automatically carry forward to the next month when a user adds a minimum of \$10 to their account within the previous 60 days or has earned a FREE Wireless Reward in the prior 45 days. If no additional funds beyond the free monthly LifeLine airtime credit have been applied to the account within 60 days or a FREE Wireless Reward has not been earned in the prior 45 days, any unused Minutes/Texts, Data or Picture Mail will automatically be removed from the account balance prior to the subsequent month's free monthly airtime credit being added. If you use all of your free monthly airtime credit before a new monthly cycle begins and you do not have a sufficient balance in your account, you may not use your phone to make or receive voice calls, (other than 911 emergency calls), until the start of the next monthly cycle.

Expiration date for any funds added to an Access Wireless account will adhere to the standard business rules associated with airtime card/PIN denomination.

Balance Notification

At the time of enrollment all customers can elect to opt-in to receive a daily text message with important account information, including remaining balance of voice minutes, text messages and data allocation and the monthly renewal date when their next LifeLine benefit will automatically be applied to their account.

Customers may also dial 611 free-of-charge at any time to hear an automated recording of their remaining balance of voice minutes, text messages and data allocation and the monthly renewal date when their next LifeLine benefit will automatically be applied to their account.

Payments & Chargebacks

Your payment date (when applicable) is the date you subscribe to one of our paid-for plans. We will first attempt to deduct payment for monthly services from your account balance and then will apply the charge to any registered payment method on file with Access Wireless. We reserve the right to suspend service for up to 30 days if a credit card or debit card charge we deem authorized for your account is disputed. If a chargeback is not resolved/reversed at the end of the 30-day period, the account will be deactivated and remaining funds in the account will be lost. We may terminate service for multiple chargebacks or require that funds be added solely by Top-Up.

Account Activity Requirement

You must actively use your Access Wireless service. If you exceed 60 days without any usage (as defined in this section), you will be de-enrolled from the Access Wireless LifeLine program. Account will be considered active if during any 60-day period you do at least one of the following: make a monthly payment; purchase minutes to add to your existing account; complete an outbound call; answer an incoming call from anyone other than Access Wireless; or affirmatively respond to a direct contact from Access Wireless confirming that you want to continue your service. If you do not do any of these things at least once during any 60-day period, Access Wireless will provide you with a notice of inactivity to inform you that you must use the service within 30 days or be de-enrolled from the LifeLine program. If you receive a notice of inactivity, you must make or answer a voice call at least once during the 30-day period following the notification or confirm that you would like to continue receiving LifeLine service in order to remain eligible and avoid termination of your Access Wireless LifeLine service. Access Wireless will provide 30-days notice before it withdraws from offering California LifeLine services.

Maintaining Eligibility and Service

Upon enrollment in the Access Wireless LifeLine Assistance Program, you will be qualified to participate for up to one (1) year. To continue your enrollment in the Access Wireless LifeLine Assistance Program after the initial year, you must verify, at least annually, that you are qualified for continued enrollment in the Access Wireless LifeLine Assistance Program with the California LifeLine Administrator. Access Wireless will also conduct verification for each state according to its rules. If Access Wireless has reason to believe that you are no longer eligible to receive your LifeLine benefit for any reason, including but not limited to instances in which (1) you have notified us of your ineligibility; (2) you have failed to respond to a request by Access Wireless to confirm your eligibility and/or address by the response date provided; (3) you have responded to a request by Access Wireless to confirm your eligibility, but failed to submit adequate proof of your eligibility status; or (4) a state or federal agency alerts Access Wireless to your ineligibility, Access Wireless will notify you of impending termination of your Access Wireless LifeLine service. You will have 30 days to respond to this notice. Confirmation

of eligibility must occur during this 30 days or your Access Wireless LifeLine service will be terminated. If your eligibility is not confirmed prior to the end of the applicable 30-day period following notification of inactivity or impending termination, you will lose any free monthly minutes remaining in your account and you will no longer receive a monthly allocation of free minutes.

Transition Period after Termination of LifeLine Service

For 150 days after termination of Access Wireless LifeLine service, if you have a sufficient balance in your account, you will be charged 10¢ for each additional minute you use. During this 150-day period, you may choose to switch to an i-wireless rate plan and keep your phone number by calling 1-866-594-3644. After the end of this 150 day-period, your account will expire, and we will deactivate your service. If your account expires or is terminated, you will lose your phone number, and Access Wireless will assess you a termination charge equal to the value of the balance in your account.

Prohibited Network Uses

To ensure that all customers have access to reliable services provided at a reasonable cost, you may not use our service in a manner that interferes with another Access Wireless or i-wireless customer's use of our service or disproportionately impacts Access Wireless/i-wireless' network resources. Access Wireless reserves the right, without notice or limitation, to terminate individual calls, or after providing notice to you, offer you a different service plan with no unlimited usage components, limit data throughput speeds or quantities, or deny, terminate, end, modify, disconnect or suspend your service, or decline to renew your service, if you engage in any of the prohibited voice or data uses detailed below or if Access Wireless, in its sole discretion, determines action is necessary to protect its wireless networks from harm or degradation.

Examples of Prohibited Voice Uses

Access voice services are provided solely for live dialogue between, and initiated by, two individuals for personal use & as otherwise described in this policy. Access Wireless voice services may not be used for any other commercial purposes including, but not limited to, conference calling, monitoring services, data transmissions, transmission of broadcasts, transmission of recorded material, interconnection to other networks, telemarketing, autodialed calls, other commercial uses, or other connections that do not consist of uninterrupted live dialogue between two individuals.

Examples of Prohibited Data Uses

Access Wireless data services are provided solely for purposes of web browsing, messaging, and similar data activities. You may not use the data service: (1) with server devices or host computer applications or other systems that drive continuous heavy traffic or data sessions, including, but not limited to, disproportionate web camera posts or broadcasts, automatic data feeds, automated machine-to-machine connections,

peer-to-peer (P2P) file-sharing applications broadcast to multiple servers or recipients such that they could enable “bots” or similar routines; (2) as a substitute or backup for private lines or frame relay connections; (3) to send or receive unusually high numbers of messages; (4) to engage in atypical web usage behaviors; (5) for any activity that adversely affects the ability of other people or systems to use either our wireless services or other parties' Internet-based resources; and (6) for any other reason that, in our sole discretion, harms our network. **UNLIMITED USE PLANS:** If you subscribe to rate plans, services or features that are described as unlimited, you should be aware that such "unlimited" plans are subject to these Access Wireless/i-wireless Prohibited Network Uses and Access Wireless General Terms and Conditions.

Network Management and Performance: Access Wireless telecommunication services are provided on the Sprint network. For important information on Sprint's network management tools, policies and other related information, please visit www.sprint.com.

Return Policy

Access Wireless phones are provided free of charge to customers that are eligible under Access Wireless' Handset Policy. Access Wireless phones may also be purchased online, at select Kroger-owned store locations or authorized retailers. Devices purchased directly from Access Wireless or i-wireless can be returned within 14 days of purchase. Customer may return the complete, undamaged device in its original packaging and all of its components along with the original receipt. Devices purchased from other retail locations are subject to the other location's return policy.

FREE Wireless Rewards Program

The FREE Wireless Rewards program is administered by Access Wireless/i-wireless and Kroger. If you are a registered participant in the FREE Wireless Rewards program, you will earn a free wireless reward for every 100 points earned on qualifying purchases at select Kroger-owned store locations when using a registered Kroger family Shopper's cards, Rewards card, Alternate ID or 1-2-3 Rewards Visa.

If you have registered and authorized recurring billing to your 1-2-3 Rewards Visa, you will receive 30 free minutes of airtime applied to your account balance for every 100 points earned in qualified spending. You must earn 100 points or more to receive the reward. The total amounts you spend will not be rounded up (i.e. 99 points will not be rounded up to 100). Rewards minutes may only be redeemed once (1) per household, per 100 points earned in qualified spending. Qualified purchases do not include payments for taxes, office services, alcohol, tobacco, fuel, tickets, Western Union, Green Dot cards, MoneyPak, Kroger Gift Cards and any purchases prohibited by law. Access Wireless and Kroger reserve the right to exclude other purchases. No coupon or certificate is needed to earn rewards minutes.

A maximum of two Kroger family Shopper's cards, Rewards cards or 1-2-3 Rewards Visa cards may be registered against any one Access Wireless MDN. No more than 30

free minutes can be earned for every 100 points earned in qualified spending, and a maximum of 2,000 minutes can be earned within a 30-day period. FREE Wireless Rewards are usually applied within 48 hours after the \$100 threshold for qualifying purchases is met.

FREE Wireless Rewards may only be redeemed for Access Wireless service in connection with a qualifying Access Wireless rate plan, requires the use of an Access Wireless or i-wireless phone, and are subject to these Terms and Conditions. Minutes earned under the FREE Wireless Rewards Program may be used for making or receiving voice calls, inbound or outbound text messaging, however, these minutes may not be used to send or receive multi-media messages. Access Wireless, i-wireless and Kroger reserve the right to alter, limit or modify the FREE Wireless Rewards Program rules, regulations, rewards, reward level, registration process, or to terminate the FREE Wireless Rewards Program at their sole discretion, without notice. By participating in the FREE Wireless Rewards Program, you and your household agree to allow Access Wireless to use information collected for the marketing purposes of Access Wireless, i-wireless, Kroger and their respective affiliates. Please see our [Privacy Policy](#) for additional details. This is a limited time offer and not available where prohibited by law.

Access Wireless users must be registered for the FREE Wireless Rewards Program in order to be eligible to receive wireless rewards. The FREE Wireless Rewards Program is available in select participating stores.

Calls made to Access Wireless Customer Care, the IVR by calling 611 or use of any short-code such as #BUY (#289) or #LEFT (#5338) directly from your handset are not deducted from your free monthly airtime credit on a per minute basis and are free of charge.

At the end of the applicable 30-day period following notification of ineligibility, you will lose any free monthly minutes remaining in your account and you will no longer receive a monthly allocation of free minutes. For 120 days after the end of this 30-day period, if you have a sufficient balance in your account, you will be charged \$0.10 for each additional minute you use. During this 120-day period, you may choose to switch to an i-wireless plan and keep your phone number by calling 1-866-594-3644. After the end of this 120 day-period, your account will expire and we will deactivate your service. If your account expires, you will lose your phone number, and Access Wireless will assess you a termination charge equal to the value of the balance in your account.

This program is a regulated service and requires following certain federal and state requirements. These requirements may change, from time-to-time, which may affect your eligibility or our ability to continue to provide service. Access Wireless reserves the right to discontinue the service at any time.

Account History

Your account history for the previous 60 days will be available online at www.accesswireless.com unless you switch service options, in which case your account

history for your new service option will be available online for a period of up to 60 days following the date of your switch. You may request a printed statement detailing 60 days of account history by sending a written request to:

Access Wireless
1 Levee Way, Suite 3104
Newport, KY 41071
Attention: Account History

Taxes and Surcharges

Stated prices for our service options do not include certain taxes or surcharges. Access Wireless charges state and local sales taxes. The amount of these surcharges is subject to change and may vary from time to time and by geographic area. Access Wireless collects sales taxes on all direct Top-Up transactions and, in certain states, regulatory fees. Third party retailers are responsible for collecting sales taxes and in certain states, regulatory fees, for Top-Up transactions that occur through such third party retailers. Taxes and fees are subject to change without notice.

Messaging

You can send and receive text messages of up to 160 characters, including the address and subject line on your Access Wireless phone. There is no character limit for email and instant messages ("IM"). Certain types of messages are device dependent. Standard message rates apply when a message is sent or received, whether it is read or viewed.

Preventing Spam

If you are receiving unwanted text messages ("spam"), contact the source and unsubscribe or remove your mobile phone number from the service. Even if you elect not to receive text messages, you may still receive service alerts from Access Wireless for which there is no charge.

Unsolicited Messages

If you intentionally send spam from your Access Wireless phone, we may terminate your service without further notice.

Data Usage on your Access Wireless phone:

Your data usage will be deducted from the available data balance on your account. If you use your allocation of data before the end of the monthly period, you will be charged for data at the rate of \$0.01 per 10 kilobytes to access the mobile Internet (the "Overage Rate") on each day that you access the mobile Internet for the remainder of the period, provided that you have a sufficient balance in your account.

Returning Access Wireless Phones:

A defective Access Wireless phone may be returned within 14 calendar days from the date in which the phone was received. All equipment must be complete and returned in the original packaging and in good condition to be eligible for a comparable replacement. Please contact Customer Care to obtain a Return Authorization Number at 1-866-594-3644. This return authorization number must appear on the outside of the shipping package for your return to be processed correctly.

i-wireless LLC
Attn: Returns Manager
Return Authorization Number _____
1 Levee Way; Suite 3104
Newport, KY 41071

Include your name, address, home phone number and return authorization number on the original packing list.

Returning an i-wireless Phone:

In-store purchases of an i-wireless phone may be returned to the place of purchase within 14 calendar days from the date of purchase. All equipment must be complete and returned in the original packaging and in good condition to be eligible for a refund of the purchase price. Proof of purchase is required. Access Wireless and i-wireless airtime cards are not refundable. Equipment purchased beyond 14 days from the date of purchase will not be refundable at the place of purchase. Access Wireless does not charge a restocking fee for any returned devices.

Returning an i-wireless Phone Purchased Online:

An i-wireless phone purchased online at www.krogeriwireless.com may be returned within 14 calendar days from the date that the equipment was received. All equipment must be complete and returned in the original packaging and in good condition to be eligible for a refund of the purchase price. All unused airtime purchased online with a handset will be refunded. Please contact Customer Care to obtain a return authorization number at 1-866-594-3644. This return authorization number must appear on the outside of the shipping package and on the receipt for your return to be processed correctly.

i-wireless LLC
Attn: Returns Manager
Return Authorization Number _____
1 Levee Way; Suite 3104
Newport, KY 41071

Include your name, address, home phone number and return authorization number on the original packing list. The credit card used at the time of purchase will be credited 10-15 days after the returned handset is received.

Equipment purchased online beyond 14 days from the date that the equipment is received is not refundable.

All mobile phones purchased directly from a Kroger-owned retail location, online at www.krogeriwireless.com, or provided to you through our LifeLine Assistance program include a one-year warranty from the original equipment manufacturer. If you experience a handset malfunction, call Access Wireless at 1-866-594-3644. Defects due to misuse or abuse are not covered under any warranty.

Mobile Phone Unlocking

Access Wireless will comply with point number twelve of the CTIA Consumer Code with respect to the unlocking of mobile phones. Specifically, Access Wireless will abide by the following principles regarding the ability of customers and former customers, and individual owners of eligible devices to unlock phones that are locked by or at the direction of Access Wireless:

- (1) Access Wireless will post on its website a clear, concise, and readily accessible policy on mobile wireless device unlocking.
- (2) As a prepaid provider, Access Wireless will, upon request, unlock Access Wireless mobile phones no later than one year after initial activation, for customers that are in full compliance with Access Wireless Terms and Conditions.
- (3) When a customer's phone is eligible for unlocking, Access Wireless will provide clear notice to the customer that the phone is eligible for unlocking and/or will automatically unlock the phone remotely at no additional charge. Such notices may be provided at a Access Wireless location, on the Access Wireless website, or via text message or phone call.
- (4) Access Wireless will, within two days of receiving an unlocking request, do one of the following: (i) unlock an eligible phone; (ii) initiate a request to the original equipment manufacturer to unlock an eligible phone; (iii) explain to the requesting customer why the phone is ineligible for unlocking; or (iv) offer a reasonable explanation as to why Access Wireless needs more time to process the unlocking request.

(5) For deployed military personnel who are in full compliance with Access Wireless' Terms of Service, Access Wireless will unlock mobile phones upon receiving valid copies of deployment papers.

Devices that work on Access Wireless' network may not be compatible with other carriers' networks due to the use of different frequencies and technologies to provide wireless network access. "Unlocking," as used herein, refers only to the disabling of software that prevents the activation of a device designed for Access Wireless' network from being used on another carrier's technologically compatible network. It does not pertain to hardware changes, and does not guarantee that the Access Wireless phone will be compatible with any particular carrier's network or that all functionality of the device can be enabled on any other network.

Maps Showing Where Service is Generally Available

Access Wireless will make available at point of sale maps depicting approximate domestic coverage currently available to customers with Access Wireless service plans. These maps will be available at Access Wireless authorized retailer locations and on the Access Wireless web site (e.g., <https://www.accesswireless.com/support/coverage-map>). The maps will be in a generally accepted format and will allow customers to compare the coverage for Access Wireless with that of other carriers. The maps will provide a legend regarding the coverage depicted and information on limitations and variations in coverage, including geographic limitations on services. Access Wireless will periodically update the maps to keep them reasonably current. Where necessary, Access Wireless will incorporate coverage maps from roaming partners into the maps it provides.

Attachment D
Access Wireless California LifeLine Service
Frequently Asked Questions

What is Access Wireless?

Access Wireless offers a California LifeLine supported service designed to ensure that quality telecommunications services are universally available to income-qualifying customers at reasonable and affordable rates. Access Wireless's California LifeLine service provides income-eligible customers with a free monthly allotment of airtime for one year. The mobile phone service includes in-demand features such as voicemail, domestic long distance, text messaging, Call Waiting, Caller ID and 911 emergency access.

Does Access Wireless offer California LifeLine supported service to all eligible customers?

Access Wireless offers California LifeLine supported service to any customer residing within our approved service area. Only eligible customers may enroll in and be approved to receive a California LifeLine supported service with Access Wireless.

How can I apply for Access Wireless service in California?

Applying for California LifeLine supported service from Access Wireless service is easy and convenient.

- Call 1-888-900-8920 and a Customer Care representative will assist you.
- Apply in-store at participating Kroger-owned stores or designated retail locations.

What's included with my Access Wireless California LifeLine supported service?

All customers approved for California LifeLine supported service may choose from the following rate plan options supported by the California LifeLine benefit:

- 1) California LifeLine Unlimited Talk + Text plan
- 2) California LifeLine 1,000 Minute, Unlimited Text & 200 MB plan
- 3) California LifeLine Unlimited Talk, Text & 500 MB plan for \$10
- 4) California LifeLine Unlimited Talk, Text & 2GB plan for \$25

What phones does Access Wireless offer to California LifeLine customers?

Eligible customers will receive a data-enabled handset in accordance with Access Wireless' Handset Policy. All other customers will be given the option to purchase a phone from Access Wireless. Make and model of phones will vary based on inventory availability and available promotions.

Am I required to purchase bundled plans with video, data and other services in order to receive my California LifeLine supported service with Access Wireless?

No. Access Wireless offers California LifeLine customers a rate plan that offers Unlimited Talk and Text without additional video, data or other services.

You may opt to purchase additional airtime if your needs exceed the free allotment of airtime included as part of your California LifeLine supported service, but are not required to do so.

As a California LifeLine customer, can I pay my phone bill in person without being assessed a fee?

Access Wireless is a California LifeLine supported service provider that does not bill its customers.

Where will my Access Wireless service work?

Access Wireless California LifeLine supported service is provided on the Nationwide Sprint network. However, Access Wireless service may not be available in all areas. To determine if there is sufficient Sprint coverage in your area, click [here](#) to view a coverage map.

How do the promotional minutes work?

When you apply for California LifeLine Service with Access Wireless, a one-time allocation of promotional minutes will be applied to your new Access Wireless account. These promotional minutes are at no cost to you and can be used until exhausted or 60 days from the date of activation, whichever comes first. When Access Wireless receives notification from the California LifeLine Administrator regarding approval of the California LifeLine application, the company will notify you. If you are approved for the California LifeLine benefit, you will be notified by text message and the benefit will be added to your account. If you are denied the California LifeLine benefit, you have the option of discontinuing use when the promotional minutes lapse (if applicable) or purchasing additional i-wireless airtime and selecting an available i-wireless prepaid retail plan.

How much does Access Wireless cost?

Customers that qualify for California LifeLine supported service may choose from the following rate plan options:

- 1) California LifeLine Unlimited Talk + Text plan (free of charge)
- 2) California LifeLine 1,000 Minute, Unlimited Text & 200 MB plan (free of charge)
- 3) California LifeLine Unlimited Talk, Text & 500 MB plan for \$10
- 4) California LifeLine Unlimited Talk, Text & 2GB plan for \$25

Based on our current Policies, Access Wireless imposes a \$39 activation fee. The California LifeLine program will reimburse this fee on your behalf only if you are either (1) establishing California LifeLine Service for the first time, or (2) switching to Access Wireless from another wireless California LifeLine service provider. The California LifeLine program will not reimburse the activation fee more than twice during the period beginning December 24, 2015 and ending on December 23, 2016 (or an earlier date if set by the California Public Utilities Commission). When you apply for Access Wireless service, the Company will apply a company-funded credit to your account so that you will not have to pay any portion of the activation fee for which California LifeLine Program reimbursement is not available.

There are no other monthly bills, long-term contracts, recurring fees, or surcharges for Access Wireless customers.

What if I need more minutes than what is included?

You can add airtime to your Access Wireless account using a debit or credit card or by purchasing an Access Wireless or i-wireless airtime card, which are available at participating Kroger-owned stores. PINs may also be purchased at more than 10,000 convenient nationwide retailers. Click [here](#) to find an Access Wireless airtime retailer near you.

From Your Phone:

- Go to Menu > Web > My Account -or-
- Dial #BUY directly from your Access Wireless phone

From the Web

- Visit www.accesswireless.com and log in to My Account
- Click [here](#) to log in to My Account

Redeeming an Airtime Card

- Follow the instructions on the back of the airtime card. Make sure you scratch the gray area to reveal the 10-digit PIN

How long can I use my Access Wireless service?

The California LifeLine Administrator requires all existing California LifeLine customers to renew their participation on an annual basis. Each year, before your LifeLine anniversary date, you will receive a California LifeLine renewal form with a PIN number in a PINK envelope.

To renew your participation online, simply go to www.californialifeline.com. If you do not renew your participation in the California LifeLine program, you will be dropped from the program and lose your California LifeLine discounts.

Are there any restrictions for applying for a California LifeLine supported service?

When applying for California LifeLine supported service, applicants confirm their eligibility by demonstrating their participation in a qualifying public assistance program or annual household income guidelines. Additionally, the applicant must acknowledge the one-per-household requirement and affirm that they are not receiving a California LifeLine discount on either a wireline or wireless phone.

You must routinely use your California LifeLine supported phone to continue to receive their monthly LifeLine benefit. Accounts with a lack of usage may be de-enrolled from the California LifeLine program.

You are responsible for notifying Access Wireless if your circumstances change and you no longer qualify for California LifeLine service. The California LifeLine benefit will be discontinued, but the Access Wireless phone will continue to work as long as airtime is added to the account.

When will I receive my minutes each month?

Once your phone is activated, your California LifeLine benefit will automatically be added to your account. You will continue to receive your free allotment of minutes/texts on the same date every month for one year.

For example, if you activate your service on May 5th, your monthly allotment of minutes/texts will be added to your account on the 5th of each month.

What should I do if I don't receive my monthly allotment of California LifeLine supported minutes?

Please call 1-866-594-3644 and a Customer Care representative will be happy to assist you.

How do I activate Access Wireless service on my handset?

Each handset is different. If you obtained your handset from Access Wireless, please refer to the activation instructions inside of the packaging of your phone. If you need further assistance, please call Access Wireless Customer Care at 1-866-594-3644.

If you wish to provide your own phone, contact 1-866-594-3644 and a Customer Care representative will be happy to advise you on whether your device is compatible with Access Wireless, and on activating your compatible device for use with Access Wireless service.

What if my Access Wireless phone is lost or stolen?

If the phone associated with your Access Wireless service is lost or stolen, you are responsible for any charges incurred until you notify Customer Care of the loss by calling 1-866-594-3644. Once we have been notified, your account will be suspended from further use. You will have 60 days to activate a new phone or notify us that you have found your old phone. If you do not notify us within 60 days of either action, your account will be deactivated and any remaining account balance will be lost and the phone number may be reassigned.

New Access Wireless phones can be purchased [online](#) or at select Kroger-owned stores. Subject to availability, consumers may also choose to purchase a refurbished replacement phone from Access Wireless.

What should I do if my Access Wireless phone breaks within the first year?

If you are provided with an Access Wireless phone and experience an equipment malfunction, please call us at 1-866-594-3644 and we will discuss your options for a replacement phone. All Access Wireless phones include a one-year manufacturer's warranty.

Do I need to pay taxes or fees on my California LifeLine supported service with Access Wireless?

No, California LifeLine customers are exempt from taxes, surcharges, CPUC user fees, federal excise tax, local franchise taxes and State 911 tax associated with telephone service.

Are calls to 911 and Access Wireless Customer Care free and unlimited if I am a California LifeLine customer?

Calls to 911 are always free and do not count against your monthly allotment of minutes. Calls to Access Wireless Customer Care are free when you dial 611 from the phone associated with your Access Wireless service plan and do not count against your monthly allotment of minutes.

Are there standards for 911 emergency services location accuracy and reliability?

Your phone will be able to place calls to 911 even if you have run out of your monthly allotment of airtime.

It is advised by Public Safety Officials, that you should be prepared to provide information about your location when making an emergency call. Wireless service, unlike landline phone service, uses less reliable methods to place calls and to determine your phone number and location. Network coverage can be adversely affected by weather, structures, buildings, and geography and because of these factors, emergency operators may not be able to determine your location or your phone number. These factors also may hinder your ability to make an emergency call.

Occasionally, you may attempt to call 911 in areas where there is no wireless coverage. If there is no wireless coverage, your call to 911 may not go through and you should dial 911 from the nearest landline phone.

Enhanced 911 service, also known as E911, relies on GPS technology to obtain location information. This service is dependent on a number of factors such as the abilities of local emergency authorities, the GPS ability of your phone, whether your GPS enabled phone has GPS turned on, and your phone's ability to obtain a GPS Satellite signal. The signal could be impaired by being indoors, in inclement weather, etc. Even when available, E911 does not necessarily provide accurate location information.

Is there a fee for accessing 800 or 800-like toll free services?

There is no fee to access an 800 number, but these calls do count against your monthly allotment of airtime.

Is there a list of phone numbers that are free calls with my Access Wireless service?

California LifeLine customers will enjoy free calls to the following numbers: 211, 311, 511, 711, and 811.

These calls will not count against your monthly allotment of airtime. Calls using a relay service associated with any of the free numbers listed above may count against your monthly allotment of airtime.

Does Access Wireless provide free access to the California Relay Service via 711?

Yes, Access Wireless California LifeLine customers have free access to California Relay Service via 711. Associated calls using the 711 relay service may count against your monthly allotment of airtime.

Does Access Wireless provide access to two California LifeLine discounted telephone lines for Deaf and Disabled Telecommunications Program participants?

Yes, Access Wireless will provide access to two California LifeLine telephone lines for participants in the Deaf and Disabled Telecommunications Program.

Am I eligible to participate in rewards programs with Access Wireless?

Yes!

Currently Access Wireless customers are eligible to participate in the [Free Wireless Rewards](#) program when they shop at Kroger-owned stores. To participate:

- Register Shopper's Card/Loyalty Card/Alternate ID/1-2-3 Rewards Visa with your Access Wireless account
- For every 100 points earned from shopping in [participating stores](#), a FREE Wireless Reward of 20 FREE minutes will be added to your Access Wireless account
- FREE Wireless Rewards are earned on qualifying purchases only. Food Stamp purchases may apply for loyalty rewards program. Restrictions do apply. The FREE Wireless Rewards program is not available in all locations. For details on the Wireless Rewards program, click [here](#).

Does Access Wireless offer a Referral Program?

Yes!

Referring a friend is easy and encouraged. Simply tell your friends and family about California LifeLine supported service provided by Access Wireless and how they can apply for California LifeLine.

Upon their approval, they will need to call 611 and enter your Access Wireless phone number as their reference. This must be done within 5 days of the activation of their account. Once this is complete, you will receive a referral credit on your account within 14 days. You will only receive referral credit if your friend is approved for California LifeLine supported service.

You can refer as many friends as you like to Access Wireless. You will receive up to 1,000 FREE additional minutes for your friends (up to 10 referrals).

Can I get a California LifeLine supported service from Access Wireless if I already have a LifeLine phone from another provider?

You may switch from your current provider to Access Wireless, but you may only receive one California LifeLine supported service per household.

Once you've made the switch to Access Wireless, you will be de-enrolled from your previous provider and your California LifeLine supported service will be applied to your Access Wireless account.

What happens if I decide to terminate my California LifeLine supported service shortly after being approved?

You can terminate your California LifeLine supported service with Access Wireless within 14 days of service activation or at any other time for any reason without incurring a fee. If you terminate your service within three days of activation, excluding national holidays, you will not be charged a restocking fee for any devices and applicable service connection charges and deposits that you paid, if any, would be refunded. Access Wireless California LifeLine supported service does not require payment of a service connection charge or deposit by a customer who is found eligible for California LifeLine supported service by the California LifeLine Administrator.

Which public assistance programs qualify me for a LifeLine benefit in California?

If you, or a member of your household, participate in one or more of the following public assistance programs, you may qualify for a LifeLine benefit with Access Wireless:

- Medicaid/Medi-Cal
- Low Income Home Energy Assistance Program (LIHEAP)
- Supplemental Security Income (SSI)
- Federal Public Housing Assistance or Section 8
- CalFresh, Food Stamps, or Supplemental Nutrition Assistance Program (SNAP)
- Women, Infants and Children Program (WIC)
- National School Lunch Program (NSLP)
- Temporary Assistance for Needy Families (TANF)
 1. California Work Opportunity and Responsibility for Kids (CalWORKs)
 2. Stanislaus County Work Opportunity and Responsibility to Kids (StanWORKs)
 3. Welfare-to-Work (WTW)
 4. Greater Avenues for Independence (GAIN)
- Tribal TANF
- Bureau of Indian Affairs General Assistance
- Head Start Income Eligible (Tribal Only)
- Food Distribution Program on Indian Reservations

What qualifies as proof of program participation in California?

Proof of program participation is:

- A copy of your benefit ID card or other program participation documentation.
- A copy of an eligibility letter from an authorized agency.
- A copy of a benefits statement (current or prior year).

Individuals may also qualify based on total household gross monthly income. If you are applying based on income eligibility, you will need to provide documentation of your income.

What income levels qualify me for California LifeLine supported service?

If your Yearly Household Income falls below the limits listed below, you may qualify for the California LifeLine program.

Household Size	Annual Income Limit
1-2 members	\$25,700
3 members	\$29,900
4 members	\$36,200

To calculate your Yearly Household Income range for households with more than four members, add \$6,300 for each additional member. Yearly Income range is based on 2015 Federal Poverty Guidelines.

To determine who makes up your household for income calculation, use the following definition of a household:

A household is defined as any individual or group of individuals who live together at the same address and share income and expenses. Household income includes all income received by everyone in the household, whether taxable or non-taxable, including, but not limited to: wages, salaries, interest, dividends, spousal support or child support, grants, gifts, allowances, stipends, public assistance payments, Social Security and pensions, rental income, income from self-employment and cash payments from other sources, and all employment-related, non-cash income.

If you qualify for the California LifeLine Program, you can also qualify for federal LifeLine support with Access Wireless.

What qualifies as proof of income in California?

Proof of income qualification for California LifeLine supported service can consist of:

- A copy of three consecutive months of ONE of these statements from the previous twelve months:
 - Pay stubs
 - Income statement from employer

OR

- Front page only of prior year's state, federal, or tribal tax return
- State Forms: 540, 540A, 540 2EZ, 540NR, or 540X
- Federal Forms: 1040, 1040A, 1040EZ, 1040NR, 1040NR-EZ, 1040SS, or 1040X
- Tribal tax return

OR

- A copy of ONE of these documents
 - Social Security benefits statement
 - Veterans Administration benefits statement
 - Retirement/Pension benefits statement
 - Unemployment/Workers' Compensation benefits statement

- Alimony and/or child-support documents

Do any restrictions apply to the California LifeLine supported service offered by Access Wireless in California?

Yes, the same restrictions that apply to all Access Wireless customers apply to California LifeLine Access Wireless customers. These restrictions include:

- Access Wireless is only available to individuals who participate in a qualifying government program or are income-eligible
- Only one wireless or landline benefit is allowed per household
- The address you provide for your phone service must be your place of residence
- Your Access Wireless account must be in the name of the qualified customer and service is non-transferable, even to another low-income customer
- You must provide your date of birth, Social Security number as required by state, proof of identification, and proof of program participation on your application in order to be approved for service
- Access Wireless participation is subject to the Access Wireless [Terms and Conditions of Service](#)
- Access Wireless customers may have restrictions on their selection of available i-wireless rate plan offerings
- You must notify Access Wireless within 30 days if you no longer qualify for the program, or if you change your address
- Access Wireless customers authorize Access Wireless to release any records required for the administration of the California LifeLine program as requested by the California LifeLine Administrator or the Universal Service Administrative Company.
- Access Wireless is a service provider for the California LifeLine supported service
- California LifeLine supported service is provided by i-wireless LLC d/b/a Access Wireless, an eligible telecommunications carrier
- Violation of the one-per-household rule constitutes violation of CPUC and FCC rules and will result in the customer's de-enrollment from California LifeLine
- Consumers who willfully make a false statement in order to obtain a California LifeLine benefit can be punished by fine or imprisonment, or can be barred from the program
- Customer information will be validated against public records and any discrepancies could result in delays in approval or rejection of service
- Customers must annually renew their eligibility to continue receiving their California LifeLine supported service

I lost the official California LifeLine Application Form from the California LifeLine Administrator. What do I do?

If you have opted to apply by mail or fax, you will have received a California LifeLine application from the California LifeLine Administrator. You will need to contact them about your lost form.

- Call 1-877-858-7463

- TTY 1-888-858-7889
- Go online to <https://californialifeline.com/en/contact>

Completed forms and documentation can be mailed to the California LifeLine Administrator at this address:

California LifeLine Administrator
PO Box 8417
Westminster, CA 92684-8417

What do I need to do to renew my LifeLine benefit with Access Wireless in California?

In order to continue receiving California LifeLine service from Access Wireless, you will need to complete an annual renewal process, certifying your continued eligibility for California LifeLine service through your participation in a public assistance program or your income qualifications. The California LifeLine Administrator will send your Renewal Form in a PINK envelope to the address on your Access Wireless account when it's time to complete the annual renewal process. Your California renewal will also serve as your certification of ongoing eligibility for your federal LifeLine benefit.

What do I do if I move or have a change of address?

You are required to update Access Wireless when you move or change your address. Within 30 days of your address change, call Customer Care at 1-866-594-3644 to update your account.

Failure to update your account could result in de-enrollment from the California LifeLine program during your annual renewal.

Does Access Wireless provide a voice-grade connection?

Yes, California LifeLine customers have the ability to send and receive voice-grade calls over all domestic distances via a wireless voice-grade connection to the public switched telephone network. Domestic calls are not distance sensitive. Customers do not pay more for making a domestic long distance call versus making a call within their local exchange area.

What happens if a California LifeLine customer fails to receive a voice-grade connection and notifies Access Wireless?

California LifeLine customers can expect a voice-grade connection from Access Wireless. If you fail to receive a voice-grade connection and notify us, we will promptly restore the voice-grade connection, if possible. If it is not possible, we will provide telephone service to you using a different technology, if it is available and you consent. If we are unable to provide you with a voice-grade connection, you have the right to terminate your California LifeLine benefit without penalty.

Are there times when my Access Wireless service may not work?

Access Wireless customers receive service on the Nationwide Sprint Network. While we strive to offer exceptional service to our customers 24/7, there are extenuating circumstances that could inhibit your quality-of-wireless service.

Service is subject to transmission limitations caused by certain equipment and compatibility issues, as well as atmospheric, topographical, proximity, and other conditions. Service can only be available when in range of a transmission source, which you should be aware of when leaving your home area. Service is dependent on radio towers, which require electricity to operate and could become non-functional in the event of a power outage if backup power is unavailable or runs out.

Further, service may be temporarily refused, limited, interrupted or curtailed due to system capacity limitations, technology migration or limitations imposed by Access Wireless or Sprint, or because of equipment modifications, upgrades, repairs, relocations, or similar activities necessary or proper for the operation or improvement of the carrier's radio telephone system.

These service limitation factors may also affect the ability to call 911. Moreover, by removing your wireless cell phone from a residence that does not have other phone services, residents may not have a way to make 911 calls during an emergency.

Neither Access Wireless, nor any carrier, shall have any liability for service failures, outages or limitations of service.

What happens if Access Wireless discontinues its participation in the California LifeLine Program?

If Access Wireless were to discontinue offering our service to California residents through the California LifeLine Program, we would provide you with 30 days notice prior to your benefit being shut off. You will be able to transfer your benefit to another participating LifeLine service provider at this point in time.

Will an Access Wireless device work on another service provider's network?

Handsets provided by Access Wireless are designed to be activated on our own networks and in coverage areas that we make available to you. As programmed, a handset provided by Access Wireless will work on the Nationwide Sprint Network. If you choose to leave Access Wireless, an Access Wireless handset may not be compatible with another carrier.

How can I contact Access Wireless?

Access Wireless Customer Care representatives are available during the following hours to help serve you:

Monday - Friday: 8 am - midnight EST

Saturday: 9 am - midnight EST

Sunday: 10 am - 10 pm EST

For New Service Questions/To Apply: 1-888-900-8920
For Current Customers: 1-866-594-3644

How can I contact CPUC Consumer Affairs Branch?

You can contact the California Public Utilities Commission Consumer Affairs Branch in the follow ways:

Telephone: 1-800-647-7570 (M-F 8:30am-4:30pm PST)

By Mail:

CPUC Consumer Affairs Branch
505 Van Ness Ave.
San Francisco, CA. 94102
